### CONTROL OF MALARIA IN CHICKNAYAKANAHALLY TALUK.

359. Sri N. BASAVIAH (Chicknayakanahally).—

Will the Minister for Health be pleased to state :—

(a) the number of cases of attack of Malaria reported from Chicknayakanahally taluk ;

(b) the preventive and curative measures taken to control it ;

(c) whether it has come to the notice of the Government that adequate drugs are not supplied and other necessary steps are not taken to control the same ?

Sri H. SIDDAVEERAPPA (Minister for Health).—

(a) The total number of Malaria parasite positive cases reported for the year 1973 from Chicknayakanahally Taluk is—8980.

(b) The preventive and curative measures taken are as follows :—

- (i) Surveillance of fever cases by house to house visit have been done fortnightly in the area.
- (ii) All persons suffering from fever are blood filmed to find out whether it is a clinical malaria or not.
- (iii) All clinical cases are being treated with malaria drugs by paying house to house visits for 5 days duration by the surveillance staff.
- (iv) As mosquitoes which carry malaria had become resistant to D.D.T. spraying was switched over to B.H.C. Three rounds of B.H.C. was sprayed during the year 1973 in the entire Chicknayakanahally Taluk during the transmission season.

(SRI H. SIDDAVEERAPPA)

The details of spray are as follows :—

Date of commencement	Number of villages	Number of houses targetted	Number of houses Sprayed	Date of completion	Percentage of coverage
I Round					
6-3-73	228 main + villages 160 Dalks villages	(29317 HD + 9951 CS)	(20981 HD 9153 CS)	17-4-73	71% HD 92% CS
II Round					
4-6-73	do	(29085 HD + 10570 CS)	(21300 HD 9688 CS)	26-7-73	67% HD 95% CS
III Round					
16-8-73	do	(30214 HD + 11518 CS)	(20100 HD 10595 CS)	21-10-73	66% HD 92% CS

NOTE :—HD = Human Dwellings.

CS = Cattle Sheds.

(v) 6,879 malaria cases have been radically treated.

(c) Adequate drugs have been supplied and steps to control the malaria has been taken in Chicknayakanahally Taluk. 1,39,600 tablets of 8 Aminoquinolines have been supplied to Chicknayakanahalli P.H.C. during the year 1973 for treatment of malaria cases.
